Sarah Lin

Email: sarah.lin@protonmail.com

Phone: +1-312-777-8888

Location: Chicago, IL

Objective:

Machine Learning Engineer with strong foundations in model deployment and optimization.

Skills:

- Python, PyTorch, TensorFlow

- MLflow, AWS Sagemaker

- REST APIs, Flask, FastAPI

- Docker, Kubernetes

Experience:

ML Engineer, VisionAI (2021-2024)

- Deployed deep learning models to production using FastAPI

- Built scalable pipelines on AWS for image classification tasks

Education:

M.S. in Data Science - University of Chicago, 2021

B.S. in Math - University of Illinois, 2019
